

# 14 kWh battery solution

## 14 kWh battery solution

Need Help? 877-242-2792

The WRO has 500 more watt-hours of capacity, has a 200% greater lifespan, utilizes LFP, the safer chemistry compared to NMC in the Powerwall 2, and is significantly more cost-effective. Did we mention that it's completely fireproof? That's right, the WRO utilizes cutting edge Razor cells capable of being fully punctured without releasing toxic fumes or catching on fire.

The WRO comes with a wall mount that is easily assembled and installed so you can get powered faster, and an LED Smart Display so you can always monitor the health and status of your WRO. If you're looking for a safe, reliable, and high capacity solution for your off-grid or solar applications, pick up a WRO today!

The BatteryEVO 48V 15.5 kWh Off-Grid Home RHINO 3 Lithium BATTERY System.

A smart solution designed to power all your devices and big appliances in a medium-sized home. This system can work as a strong backup during emergencies or be a fully independent power source from wind or solar, which is great for bigger homes that want to generate their own power. It uses advanced tech for both the inverter and battery, and it's really affordable in the USA.

The 48V Off-Grid Home RHINO 3 System can work with different power sources: AC, wind, solar, a generator, or whatever you like. It charges automatically when it's connected to shore power. It also has a special inverter that stops power surges in your home, so your gadgets last longer. This battery is very safe and needs no maintenance. It lasts 300% longer than old lead-acid systems and comes with a 10-Year Warranty for each battery pack.

Compatible Inverters: BatteryEVO Inverter | Pylon Inverter | DeYe Inverter | Growatt Inverter | MUST Inverter | LUXPOWER Inverter | Sol-ark Inverter | Megarevo Inverter

\*As of January 1st, 2024 - The WRO Battery is being shipped directly from the original manufacturer (Battery Evo).

What is your return policy?

Returns are free in the first 30 days with no restocking or processing fees, although the customer may be responsible for paying return shipping. See our complete return policy on our Shipping, Delivery, and Returns page linked in the footer of this website.

What's covered by your return policy?

## 14 kWh battery solution
