Select See All Buying Options to shop available offers.

USA Based Troubleshooting and Sales

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

15% OFF 12V 100Ah Battery – CODE: Cyber100 – EXPIRES: 12/3/24

This 24V battery package combines two of our award winning DL 100Ah batteries in series, giving you the power to fish from morning to night. 100 Amp hours (Ah) of capacity is optimal for larger 24V trolling motors and marine environments where you need lots of power for a long time.

World beating, best in class, eleven year manufacturer defect warranty.

100 ampere hours (Ah). Dakota Lithium batteries provide consistent power for all 100 amp hours. DL LiFePO4 batteries have a flat voltage curve, which means they have a steady power output as the battery discharges. The power output will not dramatically drop like similar sized SLA batteries. You get all the juice down to the last drop.

25.6V (two 12.8V batteries to be wired in series)

1280 Watts (Wh) per battery
