

Battle born batteries lifepo4 deep cycle battery

Battle born batteries lifepo4 deep cycle battery

Meet the 100Ah 12V LiFePO4 Deep Cycle battery, the pinnacle of deep cycle lithium-ion battery technology! This 100 amp hour, 12 volt battery weighs only 31 pounds and is capable of providing you power and relief from battery anxiety. Battle Born batteries run in various systems, including marine, RV, van, and off-grid! It's time to upgrade your heavy lead-acid batteries to LiFePO4 batteries and upgrade your lifestyle and ability to adventure!

You will be responsible for paying for your own shipping costs for returning your item. If you are returning prior to 30 days from the original ship date, you may be eligible for a free return. In order to be eligible for free shipping, you **MUST** have the original packing in which the order was shipped, including boxes, foam, wrapping, and pallets if necessary. Not all items will be eligible for free return shipping. Shipping costs are nonrefundable. If you receive a refund, the cost of return shipping may be deducted from your refund. Please note that we are unable to ship this product internationally.

Built for rugged adventures, the 270Ah 12V LiFePO4 Deep Cycle GC3 Gamechanger Battery gives users the freedom to take advantage of limited spaces inside various applications. Designed in a unique form factor, the GC3 is not only capable of delivering superior power, but its tall, narrow build allows for maximum possibilities.

Use of the safest and most stable lithium battery chemistry.

Designed with premium UL-listed cylindrical cells.

Internal battery management system, featuring low temp protection.

Two to three times more power in the same physical space.*

Ten times longer lifespan.*

Charges up to five times faster.*

Approximately 1/5 the weight for same amount of usable power.*

Easy drop-in replacement for lead acid batteries.

100% depth of discharge and no memory effect.
