

Brazzaville hydrogen energy storage

Mojesi Monica Rampai received her BSc in Chemistry and Biochemistry degree in 2021 and BSc Honours in Chemistry degree in 2022 from North-West University. Currently, she is a Masters student at University of the Western Cape under the supervision of Prof. Lindiwe Khotseng and Dr Ntalane Sello Seroka. She is based at iThemba LABS (NRF), where she does her research work under the supervision of Dr Christopher Mtshali. Her research focus is on the synthesis, characterization and testing of multilayered thin films for hydrogen storage.
