Starting from January 1, 2023, the charging rate for Cornerstone GO charging stations have been adjusted: the charging rate for fast charging stations have adjusted from \$3/kWh to \$3.4/kWh*, and the charging rate for medium-speed charging stations have adjusted from \$2.4/kWh to \$2.7/kWh*. Price adjustment is made due to the incremental in electricity costs. More and more EV charging promotions will be launched very soon and we are committed to providing you a happy EV charging experience.

*Except designated charging points, all charging rates will base on the Cornerstone EV Charging App shown
