Charging stations near me

Tax incentives and/or other incentives for drivers of electric vehicles in Portland.

Dedicated original equipment manufacturer natural gas vehicles and all-electric vehicles are not required to be equipped with a certified pollution control system.

(Reference Oregon Revised Statutes 815.300)

(Reference Oregon Revised Statutes 801.331, 801.341, and 811.512-811.513 and Oregon Administrative Rules 737-010-0010)

A vehicle equipped with a fully functional idle reduction system designed to reduce fuel use and emissions from engine idling may exceed the maximum weight limitations by up to 550 pounds (lbs.) to accommodate the added weight of the idle reduction technology. Any natural gas vehicle or electric vehicle may exceed the limits by up to 2,000 lbs.

(Reference Oregon Revised Statutes 818.030)

(Reference Oregon Revised Statutes 94.762 and 100.627)

All-electric vehicle owners must pay an annual fee of \$115 or a per-mile road use fee of \$0.02 per mile through the OReGo program. Hybrid electric vehicles and plug-in hybrid electric vehicles must pay an annual fee in the following amounts:

These fees are in addition to standard registration fees. Drivers with EVs or vehicles with ratings over 40 mpg are exempt from additional registration fees if they enroll in the OReGo program. For more information, including how to apply, visit the OReGo program website.

(Reference Oregon Revised Statutes 803.420-803.422)

(Reference Oregon Revised Statutes 90.462)

The Clean Vehicle Rebate Program provides rebates to Oregon residents, businesses, non-profit organizations, and government agencies for the purchase or lease of a new electric vehicle (EV), including a PHEV, electric motorcycle, or fuel cell electric vehicle (FCEV). EVs and FCEVs purchased between April 3, 2024, and June 4, 2024, with a battery capacity greater than 10 kilowatt-hours (kWh), are eligible for a rebate of \$2,500. EVs and FCEVs with a battery capacity of less than 10 kWh are eligible for a rebate of \$1,500.
