Need Help? 877-242-2792

Built Dakota tough, this single 48 volt lithium battery will help you play longer and go further with twice the run time for your golf cart, electric vehicle, or electric outboard motor, while lasting 4x longer, providing exceptional lifetime value. Built out of our legendary lithium iron phosphate (LiFePO4) cells, this battery requires no maintenance or watering, can be installed in any orientation, and can charge 5X faster than lead acid - giving you more time, and more freedom. The best part is this single Dakota Lithium battery weighs 1/4 as much as a set of lead acid golf cart batteries, allowing you to cut 300 lbs or more off your cart. Experience better vehicle handling, less wear & tear, and lower maintenance costs.

With a whopping 5kWh of deep cycle power inside of a single power source, this is the largest battery Dakota Lithium makes and it is optimized for deep cycle and marine applications like 48V solar energy storage, 48V electric outboard motors, 48V golf carts, or any 48V application where you need steady power for a long time. Free 48V 8A amp LiFePO4 chargers included!

The DL 48V 96Ah battery is built with Dakota Lithium's legendary LiFePO4 cells. 2,000+ recharge cycles (roughly 5 year lifespan at daily use) vs. 500 for other lithium batteries or lead acid. Optimal performance down to minus 20 degrees Fahrenheit (for winter warriors). Plus twice the power of lead-acid batteries at half the weight.

What is your return policy?

Returns are free in the first 30 days with no restocking or processing fees, although the customer may be responsible for paying return shipping. See our complete return policy on our Shipping, Delivery, and Returns page linked in the footer of this website.

What's covered by your return policy?

Our returns policy covers all purchases made through Shop Solar. For warranty issues, as authorized distributors, we honor the full manufacturer warranty of ALL the brands on our website. See our complete returns and warranty policies on our Shipping, Deliver, and Returns page.

All orders are processed within 72 hours and you can expect delivery on most orders within 5-7 business days.

Dakota 48v solar battery
