Allow this velvet accent chair, equipped with a 360-degree swivel base, to serve as a focal point in your living room. It features a curved high backrest, high-density foam cushions, wide arm rests and a matching ottoman -- so you can prop up your feet for ultimate lounging. With more than 10 trendy color options, you're sure to find a shade to elevate your space.

This down-filled chair features a large, sink-worthy seat that's 46 inches wide. "If you're looking for deep seating... this is it," writes one online reviewer. "My son and I can easily snuggle up in the chair together." Online reviewers agree that it's comfortable, sturdy, easy to clean and offers great value given the price point. If you're hunting for a matching set, the style is also available as an ottoman, 74" sofa and 89" sofa.

Although on the pricey side, this modern armchair has a nearly five-star rating for being comfortable, stylish and easy to assemble. Choose from a number of striking fabrics, plus you can choose your leg finish (black or gold), arm style and cushion style. Online reviewers love the comfort, look and size, with a few commenting it's spacious enough for two people.

Cozy up in your home office with this sturdy, stylish desk chair. We love that the modern style features sleek armrests, a stainless steel frame and suede fabric upholstery. As for comfort, the ergonomic design provides lumbar support, a lever to adjust the height and 360-degree rotating caster wheels. Overall, online reviewers are happy with the appearance and quality. One writes, "It's very supportive and feels great for an entire day of sitting."

oversized swivel chair at an even better price. Soft, cozy fabric, gorgeous off-white neutral color, super comfortable." The chair is also available in sage green!

This cozy boucle chair provides a stylish place to read, watch TV or drink your morning coffee. Hint: It looks just like CB2's bestselling Gwyneth Boucle Swivel Chair, but for less than half the cost. It features a 360-degree swivel pedestal base and is available in a variety of chic colors, including beige, dark gray, taupe, brown and green. Plus, it arrives fully assembled along with a movable lumbar pillow.

Designed with thick cushions, high arms and dark metal legs, West Elm's Penn Chair provides a comfortable place to lounge in the living room while also serving as a textured accent piece. Choose from three cozy fabrics: dark olive chenille, slate chenille and dune distressed velvet - all of which are incredibly versatile. Not to mention, numerous bloggers on TikTok have shared positive reviews of the stylish chairs.

Take afternoon naps to the next level with this armless chaise lounge chair. Online reviewers are raving over the quality, comfort and style. One writes, "This chaise is very comfortable!!! Super soft material and cushy. Everyone in the family argue over who gets to use it." The plush chaise, designed with square button tufting, tapered feet and a curved frame, is available in three versatile shades: granite, linen and amigo slate.

Not only has this chair earned over 4,000 five-star reviews on Wayfair, it was named our best overall reading chair. We love the clean-lined silhouette, button-tufted seat cushion and the size, which many reviewers note is large enough to fit two people. "I was able to put it together by myself," writes one customer. "Very pleased with the sturdiness and fabric quality."
