I'm looking for a single room studio for just myself to live in Copenhagen,

the prices usually don't include electricity, so on an average level, how much does it cost per month?

From 1 December, electricity bills in the Copenhagen area will go down as Radius lowers the cost of moving electricity through the grid by more than DKK 300 million. This change will help about 1 million customers in Radius" area, which includes Copenhagen, North Zealand, and parts of Central Zealand. This means customers" yearly bills […]
