

# Energia customer service

Energia customer service

Manage your energy account with Energia's Customer Area. Find information on all ...

We've always put our customers first and helped them save energy at home. In the lead-up to winter, it's even more important to be more energy efficient. We've put together a guide with our favourite energy-saving tips.

Get a 38% Discount on Electricity With Energia

When contacting, Energia, make sure to have a recent bill at hand so that you can easily quote your details, important information etc.

The best Energia contact number is 0818405405 for customer enquiries when it comes to your energy, open Monday to Friday from 9am-5pm.

Here's a quick overview of the main Energia Ireland phone numbers:
