Fogstar drift battery 300ah

Authenticated and Batch Tested Lithium-Ion Batteries. Find out more about our journey.

The Fogstar Drift 12V 300Ah Lithium Leisure Battery can be used across a wide range of applications, from solar energy to camper and caravans, golf carts to electric wheelchairs, marine and boating.

Our UK-designed leisure batteries offer a phenomenal cycle life (>4500 cycles at 80% DOD), low environmental impact and a superb 10 year warranty.

Manufactured using Grade A EVE LiFePO4 Lithium cells, high discharge JBD BMS, built in Bluetooth and Heating as standard - our Lithium leisure battery collection offers everything you'd expect in a premium product.

Thanks to the development of our JBD BMS, you can safely connect up to 4 batteries in series or parallel.

All batteries come with access to our Fogstar Drift App, enabling you to access leisure battery data at all times. The Fogstar Drift app is free to download on both Android and iOS.

Want to learn more about Fogstar Drift Leisure Batteries? Check out our blog and find out how our Worcestershire-based team went about creating the UK's best value LiFePO4 Leisure Battery brand.
