* $I_{sc\ pv} = I_{sc\ max} \geq I_{sc\ (STC)} \times 1,25$ according to e.g.: IEC 60364-7-712, NEC 2020, AS/NZS 5033:2021.

The country currently selected is Australia. Would you like to stay on this page or do you want to switch to the local website?

1.1 All deliveries and other services effected by ourselves, Fronius Australia Pty Ltd., (ABN: 65 144 615 896) and all payments made to us, shall be exclusively governed by these Terms of Delivery and Payment. Insofar as applicable provisions may be found to be missing therefrom the law of Australia applies. If any business terms of the Ordering Party's are at variance with these General Terms of Delivery and Payment, we shall only be bound by such divergent terms if we have expressly recognised the same by letter or by telefax.

1.2 In taking delivery of the goods and/or service, the Ordering Party acknowledges the exclusive applicability of our Terms of Delivery and Payment.

2.1 Our offers may be changed or withdrawn by us at any time before acceptance by the Ordering Party, unless the offer makes express mention of an offer validity period. Documents pertaining to our offers – such as drawings, illustrations, samples and patterns, and dimensional, weight, performance and consumption data – contain or themselves constitute only approximate data and are not deemed to be specially agreed characteristics unless otherwise provided. We retain the right to effect modifications for engineering reasons.

Acceptance of an order, and any undertakings or supplementary agreements made by our employees, as well as amendments and alterations of any kind, shall not be binding upon us until we have issued written confirmation by letter, telefax or email.

4.1 Unless otherwise stated, prices are always the net price valid on the date of delivery and they shall apply
