Our Hours Mon-Fri 8AM to 5PM

Everything you need to grow your business with solar

GoGreenSolar is based in sunny Orange County, California, serving customers all over the United States. Since 2006, we"ve helped thousands of homeowners and businesses go solar through do-it-yourself solutions.

Our mission is to make energy independence more accessible and affordable for all homeowners and businesses. We live this out by:

Our company ethos is built on the pillars of teamwork, adaptability, and positivity.

Our dedication to teamwork strengthens our internal operations and enhances employee satisfaction. It also benefits our customers by providing superior products and services resulting from multiple perspectives, diverse skills, and collective innovation.

The solar power industry is rapidly changing, and new advancements and public policy constantly evolve. Adaptability is essential for our company to remain competitive, relevant, and successful in providing solar and storage solutions to meet the changing needs of our customers.
