

Golf cart lithium batteries for sale

Golf cart lithium batteries for sale

These 36 volt and 48 volt lithium batteries are some of the most powerful batteries on today's market. They offer exceptional speed, acceleration, and value for your golf cart, utility vehicle, AGV, and more.

Buy with confidence with our competitive no-nonsense 11 year warranty.

Ionic uses the best cells so your battery lasts longer and performs better.

Monitor your charge at any time from our user-friendly Ionic mobile app.

By combining the power of lithium, Grade A battery cells, and Bluetooth monitoring. With LithiumHub, you're guaranteed 100% US-based support, plus a competitive, no-nonsense 11-year warranty.

Store your 48v and 36v LiFePO4 battery anywhere--even indoors! Your lithium battery is safe for your golf cart, safe for the environment, and 100% leak-free.

Convert your lethargic jalopy into a fierce, agile machine with 36V or 48V lithium batteries. (And a 48V charger/36V charger!)

So what are you waiting for to make the switch? Lithium doesn't mess around--and neither should you.

Need some help determining exactly which batteries you need for your golf cart, boat, RV, or other application? Let our lithium battery experts help you find the right battery.

Check out the benefits of lithium below, and discover how a new 48v or 36v battery can take your golf cart from "average" to "amazing"!

Wouldn't it be nice if batteries were smart, like our TVs, cell phones, and home appliances? No need for wishful thinking-- we've made it a reality with our Bluetooth-connected lithium batteries.

With just a few taps on your smartphone, you can see how much power your cart has left, at any time. Our handy app (included) also lets you monitor other vital data. (Data like voltage, temperature, current, and charging status.)
