

Jackery 500 watt generator

Jackery 500 watt generator

500-Watt Output with a 550Wh Capacity: The Explorer 550 is perfect for devices ...

Portable power station with 1000 peak watts/500 running watts can power 7 devices simultaneously for most power needs.

Three Recharging Methods: Wall Outlet (7H), 100W Solar Panel (8H, sold separately), Car 12V DC (8H).

Whisper-quiet and fume-free, Explorer 550 power station is the perfect outdoor companion and home emergency backup solution.

All-in-One Power Hub: Jackery Explorer 550 power station features 1 x AC outlet, 2 x DC ports, 1 x car port, and 3 x USB-A ports to charge a wide range of appliances from low to high power, including air pumps, CPAP machines, TV, mini-refrigerators and more.

Portable Power Excellence: Boasting a robust 550Wh battery capacity, coupled with an ergonomic handle and cutting-edge BMS technology, the Explorer 550 offers unparalleled portability at only 13.8 lbs, making it a breeze to transport wherever power is needed.

Reliable Power Endurance: The intelligent Battery Management System (BMS) and pure sine wave inverter ensure stable power delivery to appliances and even after 800 charge cycles, the power station retains 80% of its battery capacity.

Easy to Use: Simply press a button for instant power with the Explorer 550 which is user-friendly and ready to go with no setup hassles.

Strong and Reliable: The high-quality built-in MPPT charge controller and pure sine wave inverter protect the power station against short circuits, overcharge, overvoltages and more.

2+1 (Extended) Warranty: Jackery offers a 2-year warranty and 1-year extended warranty to Explorer 550 (Extended warranty: automatically activated upon product registration on our official website).

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"...not in use, tough, rugged and do the job as described. Being able to charge multiple..." Read more
