Lockheed Martin's visitor management system provides a secure, easy-to-use experience for all visitors and customers to our US, CA, UK and AU facilities.

Visitor registration is accessible through a secure, external portal to protect your privacy and streamline processes. This easy-to-use system underscores our commitment to handling the personal information of our employees, customers, stockholders and partners securely and responsibly.

What should I expect when visiting Lockheed Martin?

Visitors can expect a technology-enabled, user-friendly, streamlined experience. Kiosks may be available to allow the visitor to check-in using their QR code or confirmation number. The visitor must present the appropriate identification to be given a badge to enter the facility.
