21 Major Malaysian Brands That Are Instantly Recognizable. These brands may not all have originated in Malaysia, but they have successfully made their mark on the Malaysian market. People here know them for their exceptional local product Malaysia and strong branding that resonates with the local audience.

Malaysian Brands. Source: The Star. With our article on Singaporean brands having sparked interest recently, we decided to look at our own Malaysian brands to find out if any of their homegrown brands have done well internationally. And we don't mean brands that everyone knows are Malaysian like CIMB or Proton.

Menara MATRADE, Jalan Sultan Haji Ahmad Shah, 50480 Kuala Lumpur, MALAYSIA
