Nermak lifepo4 12v 10ah

No featured offers available

We feature offers with an Add to Cart button when an offer meets our high standards for: Quality Price, Reliable delivery option, and Seller who offers good customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

Founded in 2014, the company is a professional new energy battery and accessories manufacturer.

Has a R& D team with nearly 10 years of industry experience.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"Got these batteries 6 months ago and they worked very well in our kids ATV. they last a long time...." Read more

"Worked great while it lasted. Had it hooked up to a chicken coop door and 30W solar panel...." Read more

"...More capacity in the same size. It fit and works just fine. No power outages since then but I am confident that it will work as needed." Read more

"So far the battery has been excellent, powerful and very useful around the house for everyday uses and also during car trips...." Read more

"Bought this LiFePo4 battery to do POTA activations. Very lightweight and can run several hours drawing ~20A and putting out 100W. Charges in about 3..." Read more

"...type SLA 12v, 7Ah batteries in my old E300 with these, which are noticeably lighter and now I'm getting much more range, plus experienced a slight..." Read more

"...I really wanted something light weight and this fit the bill." Read more
