We feature offers with an Add to Cart button when an offer meets our high standards for: Quality Price, Reliable delivery option, and Seller who offers good customer service "No featured offers available" means no offers currently meet all of these expectations. Select See All Buying Options to shop available offers.

We want you to live without the inconvenience and uncertainty of where your next charge is coming from.

Our chargers and accessories don't just power up your devices, they offer the tech experience you want with zero restrictions.

To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness.

"Works extremely well! I love the quality of the unit and has charged my car nicely so far." Read more

"Nice beefy little unit that provides 32A charging which is sufficient...." Read more
