To perform investment and maintenance works in the network, it is important to have your understanding because it is necessary to have programmed service interruptions for work to be performed with the highest quality and safety standards.

Learn about the interruptions programmed for coming dates. Find out here if the area where you live or work will be affected by any service interruptions.

Enter our portal of Programmed Interruptions or click on the name of the distributor in your area to know the areas where we will be working.

If you want to know if your supply is within an interruption zone, enter our "AES M?vil" portal here.

Para poder realizar trabajos de inversi?n y mantenimiento en la red el?ctrica es importante su comprensi?n, ya que es preciso realizar interrupciones programadas del servicio, a fin de que los trabajos en l?neas puedan realizarse con las m?s estrictas normas de seguridad y calidad.

Conozca las interrupciones programadas para próximas fechas. Informese si la zona en la que vive o trabaja será afectada por alguna interrupción del servicio eléctrico.

Ingresé a nuestro portal de Interrupciones Programadas o haga clic en el nombre de su empresa distribuidora para conocer las zonas en donde estaremos trabajando.
