With Pulse Power, you're in the driver's seat — and that means you can choose a fixed-rate electricity plan that fits you. It's all part of our commitment to being one of the best electricity providers in Texas.

Get simple solutions for your business

Count on excellent customer service year-round

Based right here in Texas, we're focused on being the best electricity company we can be by providing the kind of customer-driven service we know our friends and neighbors expect.

Pulse Power was created by Texans who know deregulated electricity. We keep things simple so finding the right provider is easy. Pulse Power, LLC | Houston, TX 77001 | PUCT #10259 | 833-785-7797

In the event of an emergency or outage, contact your Transmissions and Distribution Service Provider (TDSP or TDU) immediately.
