Puredrive dc 5kw battery price

Puredrive PureStorage II DC Battery 5kWh. Buy. £2,000.00. Quick Find: 23186. Part ...

Introducing PureDrive Energy 5kWh Battery Modules - PureStorage II 5kWh, the perfect solution to store energy for your electric vehicle.

The battery modules come as a modular design, making it easy to customize according to your energy needs. With a guaranteed 10,000 cycles, this battery module can last for a brilliant length of time. The PureDrive Energy 5kWh Battery Modules - PureStorage II 5kWh is smarter with EV and dynamic tariffs, making it a great investment for electric vehicle owners.

The IP65 rating ensures that the battery module is protected from dust and water, making it safe to use both indoors and outdoors. It also comes with power cut protection, ensuring that your battery module is safe from voltage fluctuations.

The PureDrive Energy 5kWh Battery Modules - PureStorage II 5kWh also offers EV integration, making it easier for you to charge your electric vehicle. It charges 2x faster with a 1C cycle rate, meaning that you can charge your electric vehicle in no time. It is also compatible with a great variety of inverters, giving you the freedom to choose the one that suits your needs.

Overall, the PureDrive Energy 5kWh Battery Modules - PureStorage II 5kWh is a reliable and efficient solution that will help you store energy for your home and electric vehicle. It comes with a 10-year warranty, giving you peace of mind and ensuring that you get the most out of your investment.
