

Volta 5 12kwh lithium battery price

Volta 5 12kwh lithium battery price

R 17,800.00 incl VAT. Volta 5.12kWh Lithium-ion Battery Stage 1. The Volta 5.12kWh Lithium Battery is a popular choice for home energy storage systems in South Africa. It's designed to work seamlessly with solar systems, providing backup power during outages and optimizing energy consumption.

Reclaim control and say goodbye to power outages with the Volta Stage 1 LiFePO₄ Battery - 5.12 kWh. Key Features: Superior LiFePO₄ Performance - Benefit from superior LiFePO₄ safety performance, ensuring a worry free back-up power solution. Low Voltage Connection for added Safety - Safety is paramount. That's why the Volta battery ...

o Battery Type: Lithium-Ion o Product Model: VOLTA STAGE 1 o Nominal Energy: 5.12KWH o Nominal Voltage: 51.2VDC o Nominal Capacity: 100AH o Cell Type: LFP o 1C/1C Continual Charge & Discharge o Standard Charge Voltage: 56VDC o Maximum Discharge Current: 100A o Discharge Cut-Off Voltage: 44.8VDC o Maximum Parallel Units: 8

Battery Type: Lithium-Ion; Product Model: VOLTA STAGE 1; Nominal Energy: 5.12 kWh; Nominal Voltage: 51.2 VDC; Nominal Capacity: 100 Ah; Cell Type: LFP (Lithium Iron Phosphate) Charge/Discharge Capability: 1C/1C Continual Charge & Discharge; Standard Charge Voltage: 56 VDC; Maximum Discharge Current: 100A; Discharge Cut-Off Voltage: 44.8 VDC ...

The Volta Stage 1 5.1kWh LiFePO₄ Battery (Wallmount/Floor Standing) Product Advantages: Using high-quality lithium iron phosphate batteries, the cycle life is more than 6000 times at 80%DOD, and can be used for 10-15 years. Built in intelligent battery management system, effectively avoiding overcharge, over discharge.

Dyness Battery, BX51100 is a lithium-ion battery designed for use in solar power ...

Superior LiFePo₄ Performance - Benefit from superior LiFePO₄ safety performance, ensuring a worry free back-up power solution.

Low Voltage Connection for added Safety - Safety is paramount. That's why the Volta battery features a low voltage connection as an added layer of security, giving you peace of mind at all times.

Residential and Commercial Versatility - Whether you're a homeowner looking to secure your family's comfort or a business owner safeguarding your operations, the Volta Stage 1 is your versatile solution.

High Performance & Long Lifespan - The Volta battery isn't just powerful; it's built to last. Experience top-tier performance and a lifespan that will exceed your expectations.

Volta 5 12kwh lithium battery price

Extended Warranty - The Volta comes with a 5-year warranty on the BMS and an impressive 10-year warranty on the battery cells. Your investment is secure.

Compatible with Multiple Inverter Brands - The Volta Battery's Advanced Battery Management System (BMS) supports simultaneous communication and is compatible with multiple inverter brands.
