The name Margo is a French-origin feminine name, and it is a shortened English version of Margot, which is derived from the name Margaret. The meaning of Margo is "pearl," derived from the ancient Greek word margaritis or the Latin word margarita. Because pearls have been linked to wisdom, purity, protection, serenity, longevity, and enlightenment, it can be assumed that they are connected to good fortune. Although pearls have been compared to the moon, wealth, and wisdom, their longest-lasting association is with the goddess Venus. Additionally, they have the ability to enhance cognitive function and promote a higher occurrence of optimistic thinking.

According to ancient Greek mythology, Venus was born from an oyster in the sea, making her essentially a pearl, and linked with love, beauty, and purity. In addition, the Greeks believed that pearls should be incorporated into wedding ceremonies as they were thought to prevent newlywed brides from shedding tears and ensure a happy marriage.
