JYC Battery Manufacturer Co., Ltd is a professional and leading manufacturer of lead-acid batteries with 23 years" experience. JYC has production bases both in China and in Malaysia. Totaling to 200,000 square meters workshops, and 1500 highly-skilled employees. JYC produces all series of lead-acid batteries, including general series, deep cycle series, gel series, high-rate series, OPzV and OPzS series, start-stop AGM/EFB car series, and more.

Our wide product range cover 2V, 4V, 6V, 12V series suitable for UPS system, Solar system, Security and Alarm system, Telecommunication system, Emergency power supply. We are producing more than 240 models of batteries with capacities ranging from 0.8AH to 3000AH.

Our former "CSB Battery Co., Ltd.", was established in 1987, through a joint venture and technological coalition between Shin-Kobe Electric Machinery Co., Ltd. Shifted to the company name by the time of May, 2020.

CSB Battery's product line includes a wide range of rechargeable batteries, including valve-regulated lead-acid (VRLA) batteries, lithium-ion batteries, nickel-cadmium batteries, and nickel-metal hydride batteries. The company's batteries are used in a variety of applications, including uninterruptible

Yemen battery testing

power supply (UPS) systems, telecommunications equipment, medical devices, and security systems.

Power City is a Distributor for CSB Battery in the Republic of Yemen.

Ritar International Group is a professional battery company listed in NASDAQ. Established in May 2002, Ritar manufactures and sells environmentally friendly Lead Acid (VRLA) batteries, OPzV solid state lead batteries and Lithium batteries. Now Ritar covers battery, switching power, cover glass for mobile phones, etc. and has developed into a large-scale multiplication enterprise group. Ritar has been a leading company of the new energy industry in China. We produce full range of OPzV solid state lead batteries, AGM, GEL, Deep Cycle, Lead Carbon, OPzS, Traction (DIN/BS) Lead Acid batteries and Lithium batteries for all kinds of industrial applications like Energy Storage Systems, Solar Systems, UPS, Telecom, Data Centers, Rail Transit, Motive Vehicles, etc.

Power City is the DISTRUBITOR for Ritar Battery in the Republic of Yemen.
